

PART-TIME HOME REPAIR CREW LEADER

REPORTS TO: Construction Planning and Procurement Coordinator

FLSA STATUS: Unpaid Volunteer

DEPARTMENT: Construction

POSITION DESCRIPTION

At Habitat for Humanity Northwest Harris County we build quality, affordable homes in partnership with deserving families. Since our incorporation in 1989, our affiliate and its contributors have built over 230 homes in northwest Harris County. In 2014, in an effort to continue to promote quality, affordable housing, we committed to expand our mission to include home repair projects for deserving families that qualify under our strict guidelines.

We are seeking Volunteer Home Repair Crew Leaders to join our Home Repair team! Crew leaders are needed on Tuesdays, Wednesdays, and Thursdays for approximately 2 to 4 days per month. Experience and Knowledge of residential construction and/or the home repair process is preferred but not necessary. Limited training will be provided onsite. Habitat will provide daily task lists, tools, materials, and eager volunteer builders. Crew leaders will provide the leadership needed to get the day's activities done! Applicants must be able to perform tasks without direct supervision in addition to being willing to lead and teach volunteer groups. For more information please contact Makenzie Rogers at mrogers@habitatnwhc.org.
